**Overall Length:**

30.850 inches

**End Application:**

F/a-18

**Product Name:**

Longeron

**Aircraft Location:**

Speed brake attach, upper outbd

**Aircraft Mission Design Series:**

F/a-18c/d acft

**Special Features:**

7075-0 al extrn; next assembly 74a332000

**Material:**

Aluminum alloy 7075

**Material Specification:**

Qq-a-200/11 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11400
