**Overall Width:**

0.960 inches

**End Application:**

2840-01-4585361, engine, aircraft, turbo-shaft

**Side For Which Designed:**

Right side

**Product Name:**

Hinge, mtg, right

**Material:**

Aluminum alloy

**Material Specification:**

Ams 4117 assn standard single material response

**Surface Treatment:**

Chromate

**Surface Treatment Specification:**

Alodine per mil-c-5541 federal standard single treatment response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11800
