Overall Length:

26.000 inches

Overall Width:

6.000 inches

Material Thickness:

0.050 inches

Aircraft Location:

Flap carriage aft

Aircraft Mission Design Series:

C-130 acft

Special Features:

Nha 344005-3I; heat treat-t42

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362/0 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
