Overall Length:

6.200 inches

Overall Width:

4.500 inches

Material Thickness:

0.032 inches

End Application:

Oh-58d army helicopter

Product Name:

Doubler cabin roof

Material:

Aluminum alloy 2024

Material Specification:

Asm-qq-250/5 assn standard all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A11400
