Material Thickness:

0.050 inches

End Application:

C-130 hercules

Product Name:

Angle

Aircraft Location:

Tank pylon panel

Aircraft Mission Design Series:

C-130 acft

Special Features:

Nha 388085

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
