Overall Length:

9.000 inches

Overall Width:

5.000 inches

Material Thickness:

0.083 inches

Side For Which Designed:

Left side

Product Name:

Gen cooling nozzle doubler

Aircraft Location:

Cowl door

Aircraft Mission Design Series:

F-15

Special Features:

Heat treat t82

Material:

Aluminum alloy 2219

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
