**Overall Length:**

5.000 inches

**Overall Width:**

4.000 inches

**Material Thickness:**

2.000 inches

**Aircraft Location:**

Longeron fitting

**Aircraft Station Number:**

Bl61.625 and fs 245.00

**Aircraft Mission Design Series:**

Mep-9w

**Material:**

Aluminum alloy 7075

**Material Specification:**

Qq-a-225/9 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11800
