Overall Length:

17.300 inches

End Application:

Kc-135

Product Name:

Support

Aircraft Location:

Outboard aileron

Aircraft Mission Design Series:

Kc-135

Special Features:

Opposite-27 temper t4 extr and 10134-1201

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-200/3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
