Overall Length:

8.312 inches

Overall Width:

2.000 inches

Material Thickness:

0.500 inches

End Application:

Oh-58d army helicopter improvement program (ahip)

Hole Quantity:

6

Product Name:

Bracket structural component aircraft

Material:

Aluminum alloy 2024

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A11800
