Overall Length:

2.300 inches

Aircraft Mission Design Series:

Aircraft

Special Features:

Finish f-21.18; heat treat t8511; used on tubing clamp block retainer

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-200/3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A11400
