Overall Length:
2.300 inches
Aircraft Mission Design Series:
Aircraft
Special Features:
Finish f-17.04; heat treat t8511; used on tubing clamp block retainer
Material:
Aluminum alloy 2024
Material Specification:
Qq-a-200/3 federal specification single material response
Shelf Life:
N/a
Unit Of Measure:

Demilitarization:
No
Fiig:
A11400
