Overall Length:

14.000 inches

Overall Width:

14.000 inches

Side For Which Designed:

Left side

Aircraft Location:

Aft water bottles support instl

Aircraft Mission Design Series:

Aircraft

Special Features:

Nha 3361456; heat treat t42

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A11800
