**Overall Length:**

14.000 inches

**Overall Width:**

14.000 inches

**Side For Which Designed:**

Left side

**Aircraft Location:**

Aft water bottles support instl

**Aircraft Mission Design Series:**

Aircraft

**Special Features:**

Nha 3361456; heat treat t42

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-250/5 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A11800
