Overall Length:

39.200 inches

Overall Width:

8.500 inches

Material Thickness:

0.071 inches

Aircraft Location:

Missile launcher closeout web

Aircraft Mission Design Series:

F-18a

Special Features:

Nha 76a329998

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/13 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
