Overall Length:

15.00 inches

Overall Width:

1.00 inches

Material Thickness:

0.070 inches

Aircraft Location:

Lower surface, center wing, wing joint

Aircraft Mission Design Series:

C130

Height:

1.05 inches

Material:

Stainless steel

Material Specification:

Ams5659 type i assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
