Overall Length:

44.000 inches

Overall Width:

8.000 inches

Thickness:

0.040 inches

End Application:

E-3 aircraft

Aircraft Location:

Lower trailing edge

Aircraft Mission Design Series:

E-3

Special Features:

Used on -2; opposite -170

Material:

Titanium alloy

Material Specification:

Mil-t-9046 type 1 military specification all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700

Mil-std (military Standard):

Mil-t-9046 spec.
