Overall Length:

8.000 inches

Overall Width:

16.000 inches

Thickness:

0.040 inches

End Application:

Various c5 aircraft

Product Name:

Skin, aileron

Aircraft Mission Design Series:

C-5 acft

Special Features:

No heat treat; t6 clad

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/13 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
