**Overall Length:**

5.000 inches

**Overall Width:**

5.000 inches

**Thickness:**

0.040 inches

**End Application:**

Various c5 aircraft

**Product Name:**

Skin, shroud, aileron

**Aircraft Mission Design Series:**

C-5 acft

**Special Features:**

Heat treat none; t6 clad

**Material:**

Aluminum alloy 7075

**Material Specification:**

Qq-a-250/13 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11700
