End Application:

Kc-135 aircraft

Product Name:

Angle

Aircraft Location:

Rib installation-wing edge

Aircraft Station Number:

Ws 420.74

Aircraft Mission Design Series:

Kc-135 acft

Special Features:

Dimensions are stock size; heat treat t4 temper; clad strip

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
