**Overall Length:**

2.000 inches

**Overall Width:**

1.000 inches

**Material Thickness:**

0.040 inches

**End Application:**

Oh58d

**Product Name:**

Support angle

**Aircraft Location:**

Nose beam inboard aileron

**Aircraft Mission Design Series:**

Kc-135

**Special Features:**

Dim are stock material

**Material:**

Aluminum alloy 7075

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11800
