Overall Length:

14.390 inches

Overall Width:

2.070 inches

Material Thickness:

0.080 inches

End Application:

F/a-18 e/f

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/12 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
