Overall Length:

34.24 inches

Overall Width:

3.05 inches

Material Thickness:

0.150 inches

End Application:

C130 aircraft

Side For Which Designed:

Right side

Product Name:

Strip

Aircraft Mission Design Series:

C130

Special Features:

Location, flap station 303.405 to aileron station, right hand

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11500
