End Application:

Ch-53a/d/e

Hole Quantity:

8

Side For Which Designed:

Right side

Special Features:

Fillet radii.015-.030

Material Specification:

Mil prf 23377 military standard all material responses

Surface Treatment:

Alodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
