End Application:

B1-b aircraft

Product Name:

Rib, leading edge

Aircraft Mission Design Series:

B1-b

Special Features:

Rib-leading edge-no.2 flap, wing panel: nha: I1802002

Material:

Aluminum

Material Specification:

Qq-a-250/12 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
