End Application:

B1-bacft

Product Name:

Rib, leading edge

Aircraft Location:

Fp344.890

Aircraft Mission Design Series:

B1-bacft

Material:

Aluminum

Material Specification:

Qq-a-250/12 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
