Overall Length:

64.90 inches

Overall Width:

4.20 inches

Thickness:

0.063 inches

End Application:

B1-bacft

Product Name:

Splice skin

Aircraft Mission Design Series:

B1-bacft

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/12 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
