**Overall Width:**

2.60 inches

**Material Thickness:**

0.040 inches

**End Application:**

Kc-135 aircraft

**Product Name:**

Clip, lg-ws 440

**Aircraft Mission Design Series:**

Kc-135

**Special Features:**

Bracket detail hydraulic clamping, hydraulic section 26

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-362 t3 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11800
