Overall Width:

2.60 inches

Material Thickness:

0.040 inches

End Application:

Kc-135 aircraft

Product Name:

Clip, lg-ws 440

Aircraft Mission Design Series:

Kc-135

Special Features:

Bracket detail hydraulic clamping, hydraulic section 26

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362 t3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
