Overall Length:

74.0 inches

Overall Width:

0.80 inches

End Application:

7-61000000-1

Product Name:

Edge, trim, thermal

Special Features:

Edge, trim for thermal insulation blanket, hs6049

Material:

Fiber synthetic

Material Specification:

Mil-c-20696, type 1, class 3 military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A11700

Mil-std (military Standard):

Mil-c-20696 spec.
