**Overall Width:**

2.50 inches

**Material Thickness:**

0.190 inches

**Hole Quantity:**

4

**Special Features:**

Heat treat to t42 conditioning iaw ams 2770; for lug strut attachment

**Material:**

Aluminum alloy 2024

**Material Specification:**

Ams-qq-a-250/4 assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11800
