End Application:

C-5 aircraft

Product Name:

Filler

Aircraft Location:

Drag angle-dorsal longeron

Aircraft Mission Design Series:

C-5

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/12 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
