**End Application:**

C-5 aircraft

**Product Name:**

Filler

**Aircraft Location:**

Drag angle-dorsal longeron

**Aircraft Mission Design Series:**

C-5

**Material:**

Aluminum alloy 7075

**Material Specification:**

Qq-a-250/12 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11800
