End Application:

C-5

Product Name:

Doubler

Aircraft Location:

Dorsal

Aircraft Station Number:

Fs2405.667-2557.435

Aircraft Mission Design Series:

C-5

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/12 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A11800
