End Application:

C-5 aircraft

Product Name:

Doubler

Aircraft Location:

Pan-optical sensor, nose radome

Aircraft Mission Design Series:

C-5

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/13-t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A11800
