Material Thickness:

0.080 inches

End Application:

C-5

Product Name:

Doubler-sensor

Aircraft Location:

Fs 253

Aircraft Mission Design Series:

C-5

Special Features:

diameter-12.206 inches

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
