Overall Length:

36.0 inches

Overall Width:

32.0 inches

Product Name:

Brace, upper (machining)

Material:

Aluminum alloy 7075

Material Specification:

Mil-a-22771 military standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800

Mil-std (military Standard):

Mil-a-22771 spec.
