**Overall Length:**

15.8 inches

**Overall Width:**

0.5 inches

**Material Thickness:**

0.700 inches

**End Application:**

V-22

**Product Name:**

Rub strip lower

**Aircraft Mission Design Series:**

V-22

**Special Features:**

Track assembly-flaperon; wing assembly

**Material:**

Stainless steel

**Material Specification:**

Ams5518 assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11400
