Overall Length:

15.8 inches

Overall Width:

0.5 inches

Material Thickness:

0.700 inches

End Application:

V-22

Product Name:

Rub strip lower

Aircraft Mission Design Series:

V-22

Special Features:

Track assembly-flaperon; wing assembly

Material:

Stainless steel

Material Specification:

Ams5518 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
