Overall Length:

2.10 inches

End Application:

T-38

Product Name:

Panel instl - fus sta 144 to 284, side

Aircraft Location:

Fus sta 144 to 284, side

Aircraft Station Number:

Fus sta 144 to 284, side

Aircraft Mission Design Series:

T-38

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-200/11 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
