Overall Length:

14.4 inches

Overall Width:

11.8 inches

Thickness:

0.50 inches

End Application:

T-38

Product Name:

Floor installation-fuel fus sta 388.75 to 445.00

Aircraft Mission Design Series:

T-38

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/13 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
