Overall Length:

20.0 inches

Overall Width:

11.0 inches

Thickness:

1.0 inches

Product Name:

Insulation assembly, thermal-cockpit

Aircraft Mission Design Series:

Ah-64d

Material:

Plastic

Material Specification:

96906-mil-prf-20696f, ty2, cl3, black military standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A11700

Mil-std (military Standard):

Mil-prf-20696f spec.
