| End Application:                |
|---------------------------------|
| B-52 aircraft                   |
| Product Name:                   |
| Rib assembly, forward           |
| Aircraft Location:              |
| Outboard flap                   |
| Aircraft Mission Design Series: |
| B-52                            |
| Material:                       |
| Aluminum alloy 2024             |
| Shelf Life:                     |
| N/a                             |
| Unit Of Measure:                |
|                                 |
| Demilitarization:               |
| Yes - demil/mli                 |
| Fiig:                           |
| A11400                          |
