End Application:

737 aew&c

Product Name:

Door instl

Special Features:

Ext power, supplier code v81205; tech data is a page from a page in the illustrated parts catalog, figure 2b -1; index 52-48-51-02b; module number 141a8701-37 rev c, position data sect 41.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A531m0
