End Application:

E-2c aircraft

Product Name:

Skin assembly

Aircraft Location:

Inboard rudder

Aircraft Mission Design Series:

E-2c

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
