Material Thickness:

0.0800 inches

End Application:

1520-01-082-0686

Product Name:

Strap

Aircraft Location:

Frame instl, upper fuselage

Aircraft Station Number:

327.115

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250-13 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A11400
