**End Application:**

Kc-135 aircraft

**Product Name:**

Stiffener

**Aircraft Location:**

J-10 aft upper body

**Aircraft Station Number:**

Sta; 1202.5-1440

**Aircraft Mission Design Series:**

Kc-135 aircraft

**Special Features:**

Skin panel

**Material:**

Aluminum alloy 7075

**Material Specification:**

Qq-a-287 assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11400
