End Application:

Kc-135 aircraft

Product Name:

Stiffener

Aircraft Location:

J-10 aft upper body

Aircraft Station Number:

Sta; 1202.5-1440

Aircraft Mission Design Series:

Kc-135 aircraft

Special Features:

Skin panel

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-287 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
