Side For Which Designed:

Left side

Product Name:

Frame support

Aircraft Station Number:

Fus sta 1440

Special Features:

Heat treat t62; tech is a page from t.O. 53-00-00, 1f-16am-4-53, fig 44, index 56/33.

Material Specification:

Qq-a-250/4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A11400
