**Product Name:**

Bracket, structural component, aircraft

**Aircraft Location:**

Door-service

**Aircraft Mission Design Series:**

Various c5

**Special Features:**

Angle

**Material:**

Aluminum alloy

**Material Specification:**

Qqq-a-250/12 assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A11800
