General Description:

Lead, qq-l-201 grade d, dim., 2.000 in. Nom lg, 1.800 in. Nom w at 0.470in. From top, 1.580 in. Nom w at 0.210 in. From bottom, 0.125 in. Nom materialthickness, top tapered either side of vertical centerline to 0.470 in. Onedge, bottom tapered either side of vertical centerline to 0.210 in. On edgetwo holes 0.343 in. Diameter drilled through on vertical centerline 0.500 and 1.600in. From top w/1.100 in. Distance between centers

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
